

AGSAA Alumni Award Criteria and Nomination Information

The individual accepting the Alumni Award must meet the following requirements.

Criteria:

The individual accepting the Alumni Award must be a graduate of the Adler Graduate School. Through their life, they must have demonstrated the principles of social interest through outstanding achievements in their profession, business, volunteer work or community. They must also have displayed significant leadership or contribution to his/her community through volunteer service, advocacy or profession reflecting the values and mission of the AGSAA.

An independent group of evaluators will be selected each year to evaluate the applications and together through a majority vote select the recipient of the award. The group will be made up of an Adler Graduate School faculty member, an Alumni Committee member, and a representative from the Adler Student Association. A person who is nominated will not be eligible to be in the group of evaluators.

Process for nominating an Alumni Award recipient:

Submit a letter of nomination accompanied by a brief biography of the individual(s) to be nominated. The final nominee will be recognized at the AGS Spring commencement ceremony and the deadline for nomination is November 16th. Please include in the letter specifically why you think this person is deserving of the Alumni Award. You can also e-mail the nomination information to AGSAlumni@mail.alfredadler.edu
