

Adlerian Principles

Foster a culture that embodies Adlerian Principles

Goal 2.1: To integrate Adlerian Principles into all our educational activities.	
<u>Performance Indicator</u>	
2.1.1	100% of curriculum will be revised to include core Adlerian competencies by June 2019, to also include key assessments.
2.1.2	Create and implement a new-student orientation that is effective and includes Adlerian principles
2.1.3	Practicum and internship experiences include opportunities for students to incorporate Adlerian Principles in their work and to demonstrate social interest in action.
Goal 2.2: To practice Adlerian Principles throughout our campus community.	
<u>Performance Indicator</u>	
2.2.1	Academic unit follows a shared leadership model that values everyone’s contributions and promotes a sense of shared ownership and accountability by July 2018.
2.2.2	Trainings, forums, and other activities that promote a sense of belonging, significance, and social interest among staff and faculty are offered consistently throughout the year.
Goal 2.3: To demonstrate Adlerian Principles through our community activities.	
<u>Performance Indicator</u>	
2.3.1	Increase Adlerian training opportunities to community members and stakeholders to promote a sense of belonging and social interest in action.
2.3.2	Community engagement activities and conference participation happen throughout the year to ensure we are connecting with our Adlerian community and stakeholders.
